

Autumn 1 in Class 3

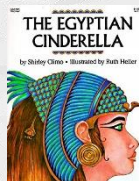

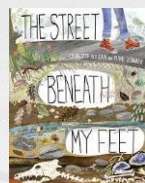

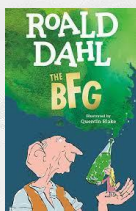

Reading & Literacy

We will begin the term with our Success for All (SFA) phonics and reading scheme.

We are reading...

In literacy, we will be exploring different genres and writing for varied purposes such as character descriptions, narratives, diary entries and letters.

Books and stories that we will focus on this term are:

Maths

We follow the White Rose Maths Scheme in school. This term, children will explore ...

- Place Value
- Addition and Subtraction

Throughout the year, we will be working hard on our times tables and mental arithmetic. Please encourage your child to practice this by accessing Times Tables Rock Stars at home.

Science

In Science, we will be investigating what rocks tell us about the way that Earth was formed. Children will have many opportunities to explore this through practical learning and experiments.

General Info

Welcome back everyone! The children have settled brilliantly into their new class. We are so proud of them and can't wait for the year ahead!

We will continue to send homework and reading for pleasure books home again this year which should be returned every Wednesday. Please encourage your child to read at home to become Bronze, Silver and Gold level readers!

History and RE

History

In history this term, we will be developing our understanding of the Ancient Egyptian Civilisation.

RE

In RE, we will be broadening our knowledge and understanding of the Christian faith and the significance of the Holy Bible.

Art

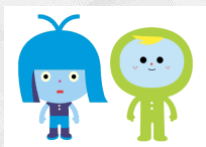

Our art this half term focuses on sculpture and will be closely linked to our history topic where we will be making our very own Egyptian masks!

PE

Class 3 will have their PE lessons on a Monday and Thursday afternoon this term. Our first topic is gymnastics and the children are very excited to develop their skills!

Happy Centred Schools

During our Happy Centred Schools lessons, we will be focusing on developing positive relationships, confidence and support.

Computing

We are very excited to start our first computer science topic which focuses on coding. Throughout our learning, we will be continuing to develop our understanding of online safety.
