Autumn 1 in Class 3 – 2026/27

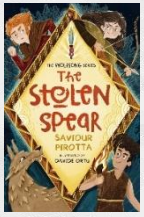

Reading & Literacy

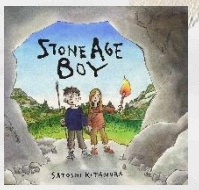

We will begin the term with our Success for All (SFA) phonics and reading scheme.

In literacy, we will be exploring different genres and writing for varied purposes such as character descriptions, narratives, diary entries and letters.

We are reading...

Books and stories that we will focus on this half term are:

Maths

We follow the White Rose Maths Scheme in school and will be developing our understanding of the following topics:

- Place Value
- Addition and Subtraction

Throughout the year, we will be working hard on our times tables and mental arithmetic. Please encourage your child to practice this by accessing Times Tables Rock Stars at home.

Science

In Science, we will be learning about electricity. Throughout this topic, we will be investigating different electrical appliances and exploring how electricity is made by making our own electrical circuits.

General Info

Welcome back everyone! The children have settled brilliantly into their new class. We are so proud of them and can't wait for the year ahead!

We will continue to send homework and reading for pleasure books home again this year which should be retuned every Wednesday. Please encourage your child to read at home to become Bronze, Silver and Gold level readers!

History and RE

History

In history, we will be developing our understanding of Prehistoric Britain. Throughout this topic, we will explore how Britain changed from the Stone Age to the Iron Age.

RE

In Religious Education, we will be learning about other faiths, with a focus on Hinduism.

Art

In art this half term, we will be exploring how we can create art using the natural environment,

PE

PE will take place on a Monday and Tuesday afternoon. Our topics this half term are Invasion Games (Basketball) and Gymnastics.

Date for the diary

Please keep an eye out for upcoming diary dates, which will be shared soon.

Happy Centred Schools

During our Happy Centred Schools lessons, we will be focusing on developing positive relationships, confidence and support.

Computing

We are very excited to start our first computer science topic which focuses on coding. Throughout our learning, we will also be continuing to develop our understanding of online safety.
